

Our Basic Text tells us that “the heart of NA beats when two addicts share their recovery,” and sponsorship is simply one addict helping another. The two-way street of sponsorship is a loving, spiritual, and compassionate relationship that helps both the sponsor and sponsee.

One of the first suggestions many of us hear when we begin attending NA meetings is to get a sponsor. As newcomers, we may not understand what this means. What is a sponsor? How do we get and use one? Where do we find one?

“The therapeutic value of one addict helping another is without parallel.”
