The Twelve Traditions of NA

We keep what we have only with vigilance, and just as freedom for the individual comes from the Twelve Steps, so freedom for the group springs from our Traditions.

As long as the ties that bind us together are stronger than those that would tear us apart, all will be well.

1. Our common welfare should come first; personal recovery depends on NA unity.
2. For our group purpose there is but one ultimate authority—a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.
3. The only requirement for membership is a desire to stop using.
4. Each group should be autonomous except in matters affecting other groups or NA as a whole.
5. Each group has but one primary purpose—to carry the message to the addict who still suffers.
6. An NA group ought never endorse, finance, or lend the NA name to any related facility or outside enterprise, lest problems of money, property, or prestige divert us from our primary purpose.
7. Every NA group ought to be fully self-supporting, declining outside contributions.
8. Narcotics Anonymous should remain forever nonprofessional, but our service centers may employ special workers.
9. NA, as such, ought never be organized, but we may create service boards or committees directly responsible to those they serve.
10. Narcotics Anonymous has no opinion on outside issues; hence the NA name ought never be drawn into public controversy.
11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films.
12. Anonymity is the spiritual foundation of all our Traditions, ever reminding us to place principles before personalities.

(over)

Understanding these Traditions comes slowly over a period of time. We pick up information as we talk to members and visit various groups. It usually isn't until we get involved with service that someone points out that "personal recovery depends on NA unity," and that unity depends on how well we follow our Traditions. The Twelve Traditions of NA are not negotiable. They are the guidelines that keep our Fellowship alive and free.

By following these guidelines in our dealings with others, and society at large, we avoid many problems. That is not to say that our Traditions eliminate all problems. We still have to face difficulties as they arise: communication problems, differences of opinion, internal controversies, and troubles with individuals and groups outside the Fellowship. However, when we apply these principles, we avoid some of the pitfalls.

Many of our problems are like those that our predecessors had to face. Their hard won experience gave birth to the Traditions, and our own experience has shown that these principles are just as valid today as they were when these Traditions were formulated. Our Traditions protect us from the internal and external forces that could destroy us. They are truly the ties that bind us together. It is only through understanding and application that they work.

Dear Sir or Madame;

The **California Mid-State Behind the Walls Sponsorship Program** is writing to you to provide some information on our program that we are offering to provide to the incarcerated addicts seeking recovery in Narcotics Anonymous.

We would appreciate any documentation regarding the rules and regulations of your institution regarding written correspondence with your inmates. Our program is offered as a ***“through the mail ONLY”*** option to assist addicts that are incarcerated that may want to work a program of recovery with the *12 Steps of Narcotics Anonymous* while they are incarcerated and possibly change their lives. These *Steps* offer us a tried and true method of continuing our process of ongoing growth in recovery and living life on life’s terms without the use of drugs. We have also found that the therapeutic value of one addict helping another is without parallel and that is exactly what our program offers to any willing member that chooses to accept the help that is being offered.

Please see reverse for a detailed explanation of our program’s guidelines, requirements and reasons for removal that may offer a clearer understanding of what our program actually consists of. We are very diligent in maintaining these requirements in order to continue offering our program at the facilities that allow us to make it available to their inmates.

Your assistance in allowing your inmates to know that our program is available to them is much appreciated. Our program supports an atmosphere of anonymity of both the inmate working the Steps (sponsee) and the sponsor assisting.

Please do not hesitate to contact us if you have any questions, concerns or suggestions.
